To find an ElectraCraft dealer near you, please call our friendly and knowledgeable Sales at: 818-735-3882.

Our most popular saltwater craft offers traditional elegance with its lapstrake hull and handcrafted solid wood table and trim. The stylish helm is the focal point of the interior, and features an illuminated instrument panel, quality marine sound system with MP3 compatibility, as well as a custom crafted service island. The 18LS also offers fully retractable canopies, providing sun protection by day, and the opportunity to be one with stars and moon at night.
